

6 MONTHS FREE* TELEPHONY SERVICES FROM EDISON NETWORKS

CONNECTING PEOPLE: ANY WHERE, ANY TIME, ANY HOW

The key to efficiency in your organisation is your ability to communicate, with your team, your customers, suppliers, and other stakeholders.

With the countdown on until the 2025 PSTN switch off, when the analogue network used for phone calls is switched off permanently, it's time to update your telephony system.

To help get you started, for a limited time only, we're offering you 6 months free* telephony services.

BENEFITS OF EDISON NETWORKS VOIP SERVICES:

Unlimited licenses

Seamless integration with Teams and Zoom

Unlimited UK calls

Single interface
(for voice, video, web conferencing and instant messaging)

Enhanced reliability

Communicating effectively

Flexibility & productivity

Rich features
(call forwarding, blocking, caller ID, voicemail, remote management, voice recognition)

To take up this limited time offer, get in touch today.
